Dear Praying Friends,

Nineteen ninety-nine the 18th year of our ministry - proclaiming the glorious gospel of Jesus Christ by means of radio. The main trust of planting churches through radio will surely continue till the Lord comes. Radio knows no barrier and penetrates through the thickest walls of man-made barriers of regional, racial and religious prejudice. It pleased the Lord to save many souls and established local churches through these years.

May you continue to uphold us before God's throne of grace as we endeavor to expand the radio ministry into new areas unreached by our daily radio program. Pray, too, that many more will discover the unsearchable riches of God's word and establish a personal relationship with Jesus Christ. Please pray also for the following request:

- Pert's daily messages on the minor prophets. Just started on the book of Hosea.
- Pastor Mago's responsibility of supervising the newly established churches and follow-up ministry.
- Joel Mailla as he works on the newly acquired brand new recording equipment.
- Miss Carla Rojo with her many responsibilities in overseeing our lending libraries.
- Mel's responsibility with correspondence and counseling ministry.
- Mae who is expecting a baby in December. Pray for normal pregnancy, safe delivery and a healthy baby.
- Pray for Joy as she reviews and prepare for California Nursing Board and the ministry that the Lord will give her when she comes home in December 1999.
- KTN ministry of our churches as they start this school year:
 - First Baptist church of Zarraga
 - Leganes Fundamental Baptist Church
 - Tubungan Baptist Church
- Pray for additional support to meet our work fund monthly expenses.

Thank you for praying for us in the ministry and may God's richest blessing be upon you.

Your Missionaries,
Pert and Mel Alparaque
