ALPARAQUE UPDATE

CHURCH PLANTING THROUGH RADIO

March 2006

"So then faith cometh by hearing and hearing by the Word of God."

More and more people listen to our daily 30 - minute gospel broadcast. Surveys made in the past, indicated that our program made it to the top list in two local radio stations. People discovered that the Word is relevant and a very timely message for the ills of society today. Those who are blessed by the Word are urging us to keep the broadcast going, for the message we preach about Jesus Christ and His Word is truly the answer to man's spiritual need. The longer we stay on the air, the greater our listening audience becomes. The message for us then is to keep on keeping on preaching the Word of God till Jesus comes!

Here are some excerpts from those who were spiritually blessed by the Word:

" Thank you for giving you godly wisdom. Your message every morning inspires me to live for the Lord."

" God changed my life through your program."

" Every 5 a.m. my soul rejoices upon hearing God's Word. Now, I find it hard to pray the 'Hail Mary' with my fellow Catholics."

" I just want to thank you for your concern and for touching my life through the Word. It made my life more meaningful."

"The assurance from His Word that He has forgiven me, made me cry to the Lord and thank Him for His forgiveness."

"I heard that you are planning to cutt off your program here in Kalibo. Please don't for many here are listening to your program."

"My husband got saved through your program and was baptized last year. We are being nurtured in the faith and it is now part of our daily life to listen to your program in the morning."

Your prayers are stones of warfare here in our country where men's hearts are blinded by false religion and vain idols. The Spirit of the Living Word is the power that changes lives and brings men to repentance. We thank you for your faithful prayers and for upholding the ministry all these years.
